

CollFace

Face Mask with Collagen and Hyaluronic Acid

Description:

Intensive anti-aging mask that provides firmness, deep hydration, and an immediate plumping effect. The formula combines the regenerating power of hydrolyzed collagen, the multi-level hydration of hyaluronic acid, and the antioxidant protection of vitamin E.

Enriched with precious vegetable oils of sweet almond, coconut, and peach, it leaves the skin incredibly elastic, silky, and radiant.

How to Use:

1. **Cleansing:** Thoroughly cleanse the face and neck to remove impurities and prepare the skin.
2. **Application:** Apply an even layer of the treatment on face and neck, avoiding the eye contour.
3. **Leave on:** Leave on for 15-20 minutes, allowing active ingredients to penetrate deeply. For more intensive action, leave on overnight.
4. **Removal:** Rinse with lukewarm water or remove with a damp cloth for optimal results. Follow with your usual skincare routine.

It is recommended to use the treatment twice a week to enhance and maintain results.

Key Benefits:

- **Visible regeneration:** Improves skin firmness and texture.
- **Immediate plumping effect:** Ideal to counteract signs of fatigue and volume loss.

- Nutrition and radiance: Vegetable oils and vitamins leave the skin elastic and glowing.

Packaging and Storage:

- Format: 200 ml pack, practical and hygienic for frequent use.
- Storage: Store in a cool, dry place away from direct light and heat sources.
