### **Face Mask with Collagen and Hyaluronic Acid**

---

**Description:** Intensive anti-aging mask that gives tone, deep hydration and an immediate plumping effect. The formula combines the regenerating power of hydrolyzed collagen, the multi-level hydration of hyaluronic acid and the antioxidant protection of vitamin E. Enriched with precious vegetable oils of sweet almond, coconut and peach, it leaves the skin incredibly elastic, silky and radiant.

#### **Instructions for use**

1. Cleansing: Cleanse the face and neck thoroughly to remove impurities and prepare the skin.
2. Application: Apply an even layer of the treatment to the face and neck, avoiding the eye area.
3. Exposure time: Leave on for 15-20 minutes, leaving the active ingredients to work deeply. For a more intensive action, leave on overnight.
4. Removal: Rinse with warm water or remove with a damp cloth for optimal results. Follow up with your usual care. It is recommended to use the treatment twice a week to boost and maintain results.

#### **Key Benefits**

- Visible Regeneration: Improves skin tone and texture.
- Immediate plumping effect: Ideal for counteracting the signs of fatigue and loss of volume.
- Nutrition and radiance: Vegetable oils and vitamins leave the skin supple and glowing.
