

Collagen Lotion – Hair Loss Prevention Lotion

Description:

A strengthening lotion with Achillea and Coltsfoot. It helps to regenerate and energize the scalp. Thanks to Red Quinine, it supports hair regrowth with unique energy. Collagen, with its powerful regenerating action, helps strengthen hair bulbs and epithelial sheaths for stronger and healthier hair.

Directions for Use:

After cleansing the scalp with shampoo, spray 6 to 8 pumps of the product onto the scalp, holding the nozzle a few centimeters from the skin. Gently massage to promote absorption. Do not rinse. Apply at least twice a week.
