

## IDRASETA ELIXIR - Regenerating Toner

A rebirth and balancing elixir for all skin types. Rich in iris extract, known for its hydrating, restructuring, soothing, and regenerating properties, combined with a blend of plant sugars and peptides, it leaves the skin radiant, smooth, silky, and plumped. Ideal for toning the face after cleansing and before applying serums and creams.

Apply after cleansing to face, eyes, neck, and décolleté. Gently massage from bottom to top and proceed with serum and/or cream.

### IDEAL FOR:

- All skin types;
- After every cleansing step;
- To refresh dehydrated or tired skin;
- To rebalance skin prone to moisture loss.
