

Vita Cell Plus

VitaCell Plus is a food supplement based on Acerola, red vine and phyllanthus which have an antioxidant action. Centella, red vine and butcher's broom promote the functionality of the microcirculation in case of heaviness in the legs. Phyllanthus has a tonic and adaptogenic action. Red vine and cypress promote the regular function of the cardiovascular system. Vitamin C contributes to the protection of cells from oxidative stress.

INCI: Vitamin C (l-ascorbic acid) powder, Red vine (vitis vinifera L., seeds) d.e. tit. 95% polyphenols, glazing agent: hydroxypropylmethylcellulose, loading agent: cellulose, Acerola (Malpighia glabra L., fruit) d.e. tit. 25% vitamin C, Cypress (Cipressus sempervirens L., cones) e.g. 4:1, Butcher's broom (Ruscus Aceleatus L., rhizome) e.g. 4:1, anti-caking agent: Magnesium salts of fatty acids, Centella (Centella asiatica L.
